

SPONSORSHIP OPPORTUNITIES

FESTIVAL HALL NEEDS YOUR SUPPORT

Festival Hall, Greensboro's premier performing arts center, has been a beloved community hub for almost 15 years, hosting a wide range of events and gatherings for people of all ages and interests.

However, the Hall's continued success relies heavily on the support of its patrons and donors. By donating to Festival Hall or sponsoring our programming, you can play an integral role in preserving the area's only historic, multi-use facility by helping us modernize its infrastructure to attract more diverse programming and events, and infusing life and activity into downtown Greensboro.

Your contribution will make a significant impact on the cultural vitality of the community and help ensure that Festival Hall remains a vibrant, accessible, and inclusive destination for generations to come.

"Festival Hall is Greensboro's hub for the arts. Our strategic plan will increase the number of original performances presented by Festival Hall in addition to already outstanding performances from OPAS, the Lake Country Players, and other fine organizations. Support from the community will only expedite our efforts!"

Nicole Chillemi

Executive Director
