BINGO FOR THE ARTS

WHY SPONSOR BINGO

Festival Hall has become Greensboro's hub for arts and entertainment for the past 15 years — but keeping our historic venue thriving requires constant care. From sound and lighting upgrades to replacing aging systems, your sponsorship helps us keep the Hall ready for performances, community gatherings, and memorable events.

Thanks to community support from our previous Bingo Nights, we were able to purchase a new projection system. Now, we're focusing on the next wave of upgrades:

- Light & sound system improvements
- Upkeep and replacement of technical systems
- Enhancements that keep Festival Hall state-of-the-art for artists and audiences alike.

By sponsoring Bingo Night, you're not just joining in on one of Greensboro's most fun evenings — you're directly investing in the future of Festival Hall.
